*** MINCHA & KABBALAT FRIDAY EVENINGS AT 7:00 PM**

Beginning Friday evenings, March 15th and for the duration of the summer months of long days, the Congregation prays regularly on Friday evenings at 7:00pm. This means that Kabbalat begins around 7:30pm. It is Halachically proper that the Congregation receive the Shabbat together at the same time. This means that families should light candles and receive Shabbat at the same time that the Congregation prays Kabbalat Shabbat rather than waiting until the normal candle lighting time.*

People who cannot be home in time to receive Shabbat with the Congregation should formally exclude themselves. In no case, of course, should candles be lit after the latest time listed in the regular candle lighting schedules.
